The staff of 'Kind en Gezin' are there to help you and your child. You can call on us until your child has reached the age of 3. Our services are free of charge.

Consultation offices

There are several consultation offices per region. You will receive an appointment for a consultation at every important milestone in the development of your child. The consultations are organised in cooperation with a local organisation at the time when your child reaches the age of :

- 4 weeks
- 8 weeks 
- 12 weeks 
- 16 weeks 
- 6 months
- 9 months
- 12 months 
- 15 months 
- 24 months
- 30 months

During the consultation, your child will be measured and weighed by a volunteer, after which you will have the opportunity to talk with the regional nurse about feeding, development, education, ... The doctor or regional nurse monitors the growth, health and development of your child and carries out vaccinations. In some municipalities the regional nurse may be assisted by a family supporter.

We provide tailor-made support for each family. We listen to your questions and will try to help you with information, practical tips and support.

We will send you an e-mail reminder ahead of each contact, of the last two contacts you will also be notified by text message.

Do you still have questions, would you like to make an appointment or would you like more information?

Please contact the 'Kind en Gezin' telephone line.

You can e-mail us through the contact page on our website.

You can call the 'Kind en Gezin' line for a new appointment in the event you have to forego your appointment or when your child is ill.
